

# Natalie's Beach Buddies

We are a group of Natalie Salazar's friends who are participating in a 24 hour walk for the American Cancer Society.

The walk will take place on Saturday, May 3 thru Sunday, May 4th at the Ford Community & Performing Arts Center.

Natalie was such a strong, faith-filled young lady. Her family, faith and friends meant everything to her. She was such a great example of strength and courage to all who knew her. We walk to keep her memory alive.
